The UK's complete
logistics solution

Our mission is to provide the very highest level of service and quality to our customers. A service that has been enjoyed by many blue chip companies for over thirty years.

We are one of the largest transportation logistics providers in the UK.

We excel in providing value-added transportation solutions to a wide spectrum of customers. We focus on creating supply-chain value by offering a variety of services that reduce our customers' costs, improve service and provide reliable capacity when and where customers need it.

transport

We offer a modern fleet of vehicles, from 1 ton vans to 44 ton articulates, all with the latest in-cab information systems. We are able to cover all aspects of transport services, from retail to manufacturing.

Our drivers are highly trained and professional, and a majority of them have been with PF Whitehead Transport for many years. Their customer care and experience are two important assets that we strive to maintain. Each of our drivers is carefully selected for their driving ability, knowledge, and experience, and undergo regular training to ensure we maintain the highest standards in the industry. We are proud of the many compliments and requests for service that we receive for our driving team.

warehousing

We offer over 500'000 square feet of racked and open modern warehouse space.

Our stock control is computerised, and features on-line access to allow our customers to monitor their stock and warehousing arrangements. All of our warehousing is covered by CCTV and 24-hour security.

We offer pick & pack solutions, with overnight delivery available throughout the UK. Our satisfied clients include many high street names and blue chip companies.

home delivery

Our home delivery services offer a fully-trained, 2-man crew for all aspects of retail home delivery.

All of our drivers are experienced in balancing customer demands and customer schedules. Each driver adheres to a pre-specified time delivery schedule.

Successfully providing a seamless delivery service from the high street to the home.

As a founding member of Palletways, we offer an award winning express delivery service throughout the UK and Europe.

For more information please visit Palletways online at: www.palletways.co.uk.

storage

Red-E-Store, our household storage division, offers space for household storage containers.

We also offer security sectioned storage space, as well as 20 ft. container storage space.

For more information please visit Red-E-Store online at: www.red-e-store.co.uk.

parking

We offer inside and outside secure vehicle parking services for all kinds of transport. We also offer the highest level of security using complete CCTV and 24-hour coverage, with easy/secure access.

Please e-mail us for a competitive quote at: info@pfwhitehead.com.
